## COL. HERRON'S STUDY HALL

A few weeks before the end of the 1<sup>ST</sup> Semester - Mr Wilson asked me what I would say if he asked me to take over Col. Herron's study hall?

I said I won't jump and down with joy but if you need it done I'll do it.

Now at the time - I was teaching 5 Biology classes, Athletic Director, and coaching 3 sports. It was 6<sup>TH</sup> Period and my planning period.

He said that study hall was driving him crazy and he didn't want to see another student from it.

I went to Col Herron to get the roll - he said I've been a little lax and I'll go in with you. I said I don't need your help - just the roll.

The study hall gave me no trouble at all.

I ended up Chairman of all the study halls. Took care of all the problems - No Problem -
