

Rat on your Buddy

When they wanted water, they had to pay with pushups - I had a sign in the Weight Room - Rat on your Buddy for free water. It worked.

I had a lottery - 3 cups w/ice cream sticks.

- 1 cup - small offenses
- 1 cup - a little rougher
- 1 cup - was bad

When a student yelled lottery some body needed draw a stick

If they didn't complete the assignment on the stick - 10% on the unpaid balance.

What was on the sticks? Pushups and situps

Had one student who sweated a lot. He came up and asked how much water he could get if he told me where they were hiding (to get in the Chow Hall early) I said name ~~you~~ your price - He said 1 week. I said you got it.

They drew from cup #3.
