Bugle

"Taps"

We wish to thank all of you who helped us plan this evening's program, who decorated the dining-room, banquet tables, the lodge, the S. S. Holiday, and those of you who served at the banquet, made the programs, decorations, Christmas Eve cards, wishing boats and those who worked on the clean-up committee! Never have we had at Illahee a finer group of campers and counselors than you!

May 1959 be the most perfect year ever! We love you dearly and hope that every person here can return to camp next summer. We know that you will share our Illahee spirit this fall, winter, and spring. Hurry back!
